Our Selection Committee is always interested in reviewing new talents and as Lilac Gallery receives a number of submissions from artists regarding representation, we regret that we cannot do so in person or by phone. If you are interested in representation, please make sure to include all information, otherwise your submission might not be evaluated, as only complete submissions that meet all requirements will be reviewed. Please be patient and do not expect an immediate response. We oftentimes hold onto work for future programming and might revisit submissions several months later. We will only be in contact if we are interested in representing your work.

Before making your artist submission, please read the Terms and Conditions and our Privacy Policy, as by submitting your artworks you will be agreeing to them. Please be advised that all the submitted material or any unsolicited items received will become property of Lilac Gallery and will not be returned. These guidelines were last updated on January 31, 2023, and Lilac Gallery reserves the right to change them at any time.
